FAMILY FACTS

GENERAL PROGRAM INFORMATION

What age groups do you serve?

We serve children from infancy through school age, offering tailored programs designed to meet the developmental needs of each age group.

What makes Trailblazer Academy unique?

Our academy focuses on experiential learning, outdoor exploration, and fostering curiosity in every child. We minimize screen time to encourage play-based, hands-on activities that promote creativity, critical thinking, and social-emotional growth.

Do you follow a specific curriculum?

Yes, we use a well-rounded curriculum that combines academic learning with social and emotional development. Our programs are designed to inspire a love of learning through interactive, age-appropriate activities. We use the ABC Jesus Loves Me curriculum which also provides age-appropriate learning experiences that foster spiritual development, guiding children to know and love Jesus.

DROP OFF & PICK UP

Can I drop off my child before 6:00 AM?

Admitting hours start as early, but not before 6:00 AM. Children can never be allowed on the premises before operating hours or without permission from the Director.

What is the procedure during drop off in the morning?

As part of the morning routine, we ask that you walk your child completely into the classroom.

What is the process for picking up my child?

At the time of pick up, please identify yourself. After you obtain your child, please sign your child out. If someone beside yourself is authorized to pick up your child, please have identification (state ID or license) available. The person will not be able to pick up the child until confirmation is made.

Can someone other than parents/legal guardians pick up my child?

Yes, but written notice or a phone call must be given by a parent/legal guardian stating who will be picking up their child. The person picking up must have a valid photo ID. We may call you to confirm the pickup person if necessary, and if there is a question about the pickup person and you cannot be reached, we will NOT release the child for the safety and protection of the child.

What happens if I'm running late for pickup?

Our school has a designated close times. Late pickups require additional staff time, and late fees will be applied. If you are more than 15 minutes late, attempts will be made to contact you, and if unsuccessful, we will follow a protocol involving emergency contacts and, if necessary, law enforcement.

Throughout the year we will host parent-teacher conferences as well. At any time we welcome families to meet with their child's teacher and/or the academy director to learn more.
